## **Working Hours and Attendance**

Standard working hours at Acme Corp are 9:00 AM to 6:00 PM, Monday through Friday, with a one-hour lunch break. Employees are expected to log attendance through the company HR portal daily. Persistent unexplained absence may result in disciplinary action.

## **Probation Period**

All new employees serve a probation period of 6 months from their date of joining. Confirmation of employment is subject to a satisfactory performance review conducted by the employee's manager at the end of this period.

## **Performance Reviews**

Formal performance reviews are conducted twice a year, in April and October. Ratings from these reviews feed into annual compensation revisions and promotion decisions.

## **Exit Process and Full & Final Settlement**

Employees who resign must serve the notice period specified in their offer letter (typically 30 to 90 days depending on grade). Full and final settlement, including any payable leave encashment as described in the Leave Policy, is processed within 45 days of the last working day, subject to completion of the exit checklist and return of company assets as described in the Laptop Policy.

## **Grievance Redressal**

Employees with workplace grievances should first raise the matter with their reporting manager. If unresolved, grievances may be escalated to HR Business Partners, and further to the Ethics Committee for matters covered under the Code of Conduct.
