

Medical Insurance Policy

Coverage

The company-sponsored medical insurance plan covers hospitalization, day-care procedures, and pre/post-hospitalization expenses up to USD 20,000 per policy year.

Family Coverage

Employees may add their spouse and up to two children to the group medical insurance plan during the annual enrollment window or within 30 days of a qualifying life event.

Claim Process

Cashless claims can be filed directly at any network hospital. Reimbursement claims for non-network hospitals must be submitted within 30 days of discharge, along with original bills and discharge summary.

Network Hospitals

A list of network hospitals offering cashless treatment is published on the HR portal and updated quarterly.

Pre-Existing Conditions

Pre-existing conditions are covered from the first day of enrollment, with no waiting period, for all employees who enroll during their initial eligibility window.
