

Remote Work Policy

Eligibility

Employees in roles designated as hybrid-eligible by their department head may work remotely up to 3 days per week.

Equipment

Remote employees are issued a company laptop and monitor per the Laptop Policy. Home internet costs are not reimbursed unless specified in the employee's offer letter.

Working Hours

Remote employees are expected to be available during core hours of 10:00 AM to 4:00 PM local time, consistent with the working hours defined in the HR Policy.

Security Requirements

Remote work requires use of the company VPN and adherence to the device encryption and data classification rules in the IT Security Policy.

Communication Norms

Remote employees should keep their calendar status updated and respond to messages within 4 business hours during core working hours.
